

WELCOME TO

CREATURES AT THE OCEAN!

Here are some things you should know about our week together:

1. We have a "No Shoes Policy" in the studio. Kindly leave all footwear in the designated area.
2. On the first day of camp, your child will receive a paper tote bag for transporting things to and from class. Please bring this bag each day as your child will be bringing some items home daily.
3. Also, on the first day of camp, your child will receive a Creatures At The Ocean CD for home use. Please play the CD as much as possible during the week so that you and your child become familiar with the songs.
4. Please leave all toys and stuffed animals at home as your child will need their hands for all of the activities.
5. Please be prepared to attend class for the full hour with your child. This curriculum is designed to be a one-on-one experience with your child. Babysitting will need to be arranged for other siblings as we cannot be responsible for unsupervised children.
6. If you haven't already registered for fall classes, you may do so any time during the week. Registration forms and information about each curriculum are available in the waiting room and on our website. You may register online at www.kindermusikcambridgekw.com or you can complete a printed form and give it to your child's teacher or hand in at the office.

HAVE FUN AT CAMP!

More...

Here is a list of the daily themes and snack. Please let the teacher know if your child has any food allergies. We would request that you bring a substitute snack for if he/she has any allergies. **Also, please bring a “sippy” cup each day if your child does not drink from a regular cup. We will provide juice for regular and “sippy” cups.**
