

# Welcome to **CONFETTI DAYS!**

## Here are some things you should know about our week together:

1. Please have the **Emergency Form** completed, dated and signed for the first class.
2. If your child has a separation anxiety, your child's teacher will be more than happy to discuss a gradual separation strategy with you. Your child's teacher has lots of experience dealing with this issue (which is a normal stage of development), so don't worry. This is good preparation for JK and for Fall Kindermusik classes.
3. Please return promptly for the last 30 minutes of class for a **Family Sharing Time**. The teacher will invite you in when it is time. We will be sharing stories, instrument play, songs and a craft. Siblings of any age are welcome to attend the Sharing Time, but please be courteous of others and remove a disruptive child for a brief "time out".
4. We have a "No Shoes Policy" in the studio. Please leave all footwear in the designated area.
5. On the first day of class, your child will have his/her At-Home Materials and a paper tote bag. Please bring this bag each day so that your child may add some new stickers to it and may use it for carrying any items to and from class.
6. Also, on the first day of class, your child will receive the Confetti Days CD. Please play the CD as much as possible during the week so that your child becomes familiar with the songs.
7. Your child is welcome to bring any articles that pertain to the daily theme (see next page).
8. If you haven't already registered for fall classes, you may do so any time during the week. Registration forms and information about each curriculum are available in the waiting room and on our website. You may register online at [www.kindermusikcambridgekw.com](http://www.kindermusikcambridgekw.com) or you can complete a printed form and give it to your child's teacher or hand in at the office.
