

WELCOME TO Splash!

Here are some things you should know about this program:

1. We have a "No Shoes Policy" in the studio. Kindly leave all footwear in the designated area.
2. On the first day of camp, your child will receive a *Creatures at the Ocean* CD for home use, along with other home materials. Please play the CD as much as possible during the course so that you and your child become familiar with the songs.
3. Please leave all toys and stuffed animals at home as your child will need their hands for all of the activities.
4. Please be prepared to attend the full class with your child. This curriculum is designed to provide you with a one-on-one experience within a social setting. Babysitting will need to be arranged for other siblings as we cannot be responsible for unsupervised children.
5. If you haven't already registered for fall classes, you may do so any time, so long as there is space available. Registration forms and information about each curriculum are available in the waiting room and on our website. You may register online at www.kindermusikcambridgekw.com or you can complete a printed form and give it to your child's teacher or hand in at the office.

Thank you for including Kindermusik in your busy summer schedule. There will be loads of new and wonderful things to explore and we're going to have tons of fun!
